Assembly instructions / Instructions de montage / Montagehandleiding

Informieren Sie sich bitte vor der Montage, ob die Komponenten des Wandbefestigungssets für Ihr Mauerwerk geeignet sind!

Für die Montage an einem abweichenden Mauerwerk übernehmen wir keine Gewährleistung.

Die Aufbauanleitung zeigt die Montage an einer nicht isolierten Kalksandstein-Mauer.

Before starting assembly, please ensure that the components in the wall fixing set are suitable for your brickwork!

We accept no guarantee for assembly to brickwork which deviates from the above.

The assembly instructions show fixing to a non-insulated sand-lime brick wall.

Avant le montage, vérifiez que les composants du kit de fixation murale sont adaptés à votre ouvrage de maçonnerie !

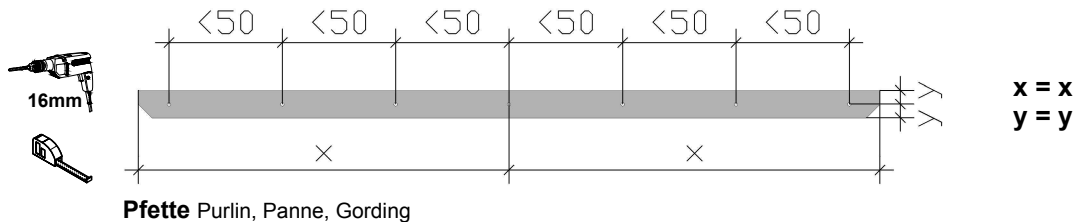

Nous n'offrons aucune garantie en cas de montage sur un type de maçonnerie différent de celui indiqué.

La notice présente le montage sur un mur en brique silico-calcaire non isolé.

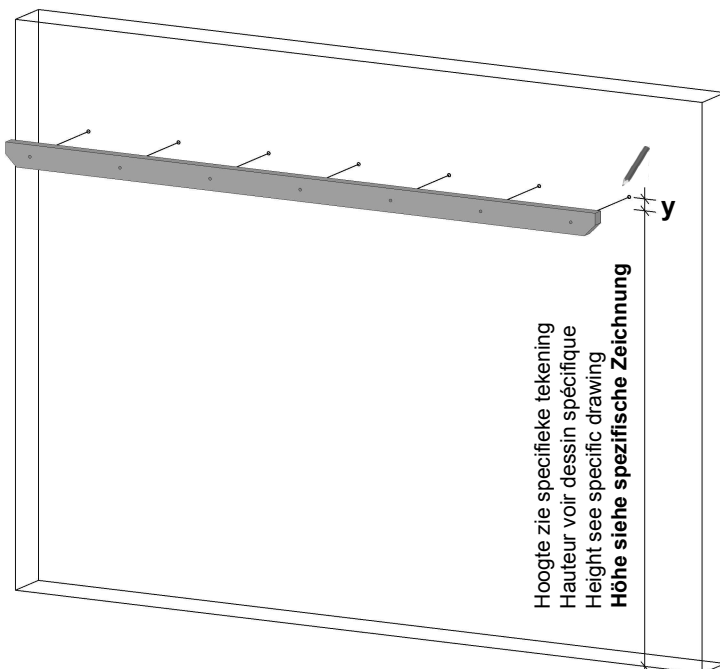

Zoek uit vóór de installatie of de bestanddelen van de wandmontage set even geschikt zijn voor uw muren ! Voor montage op een ander metselwerk geen garantie. De montage-instructies tonen de installatie op een niet - geïsoleerde kalkzandsteen muur.
